We reserve the right to limit the quantity of any variety. You can most always find a new variety in small quantity on our bench, which is so limited in quantity that we can not list them on our circular but we can sell them here. We have many of our own new varieties besides other growers which at first are very limited in quantity. The days of advertising a "Special variety" at a price in large stock is past. Our new varieties will be put out at a very attractive selling price to you. COME and SEE. The plants will be 39¢ each in lots of 25. We grow 2-1/4" pots only. Our cartons hold 25, so must be ordered in units of 25, 50, 75 etc., we do not grow 3 inch.

We reserve the right to substitute unless you specify no substitutions. We appreciate at least two or more substitutes. We are sorry but at the price we sell our plants we cannot extend credit, due to the extra time and expense involved in bookkeeping. Check or Money order Please, no C.O.D.

You as a customer are our fortune and future. We respect this by trying to please you and give you value received in quality plants and price. If you have a suggestion please let us know. We are sorry but time does not permit correspondence as much as we would like. We appreciate your orders no matter how small, hoping to continue to supply you with your African Violets working for choice new varieties and good healthy stock.

Thank you all with best wishes for your success.

"ON DAMAGE SHIPMENTS NOTIFY YOUR AGENT IMMEDIATELY."
